Current Address: Permanent Address:

803 Berkeley Place Circle   251 Rock Springs Dr.

Clemson, SC   Spartanburg, SC

(864) 921 - 9490   (864) 921- 9490

OBJECTIVE

Highly motivated computer science major looking to secure an internship that will provide valuable practical experience while developing and broadening my skillset.

EDUCATION

Clemson University	Clemson, SC
Bachelor of Arts in Computer Science	2018
Minors in Mathematics and Philosophy	GPA: 4.0/4.0

RESEARCH EXPERIENCE

Creative Inquiry: 'Extreme Orange'   Clemson, SC

I was part of a small team that developed a cloud- based system   Fall 2015 –Spring 2016
that collected, stored, and displayed data produced by portable
solar irradiation sensors.

INTERNSHIPS

Optum Technology: Software Development Intern   Greenville, SC

I worked with an application infrastructure team to develop a   Summer 2016
web application that allowed for basic CRUD operations to be
performed on data tables in the mainframe.

TECHNICHAL SKILLS

Java Programming	R / R-shiny	Linux
C/C++ Programming	Spring MVC	JavaScript and HTML
